Time zones:

This entry was created in a different time zone. The time in that time zone is: Thu 03/22/2012 2:30 PM PDT - 3:30 PM PDT

Description

Hello Jon, Jeri, Mel, Alan, and Carmen,

As you know we are doing Latino outreach with the Portland Harbor Partnership. This meeting is an opportunity to learn more about the PDX Harbor Project from the EPA. We hope you will join us!

Presenters:

Alanna Conley, Community Involvement Coordinator, EPA
Chip Humphrey, Project Manager, EPA

Hi Alanna,

We would like to get any information the EPA has on the Portland Harbor Project. Any updates or information you share with the broader community is fine. We just want to be able to check in and ask questions. Many of us simply want to be better informed.

Gracias,
Cynthia

Hi Alanna,
Can you send that message with the time that we had set up to meet with you and Chad? I am so sorry that I misplaced the info! I would like to get it on our partners calendars.
Gracias,
Cynthia

Portland Harbor Community Advisory Group meets Wednesday, March 14

Meetings of the Portland Harbor Community Advisory Group (PH CAG) are intended to keep the community abreast of developments on the Portland Harbor Superfund Site and to provide a forum for discussion. PH CAG meetings are open to everyone. We encourage you to step forward to share your concerns and advice.

Date: Wednesday, Wednesday, March 14, 2012
Time: 6:00 - 8:00 p.m.
Location: 6543 N Burlington Avenue (at the Portland BES Water Pollution Control Lab)

Agenda:

1. Welcome and CAG Announcements- Jim Robison, President, Portland Harbor CAG
2. Discussion of the Environmental Evaluation/Cost Analysis (EE/CA) for Triangle Park Removal Action- Gary Dupuy, Principal Hydrogeologist, AMEC Environment and Infrastructure.
Triangle Park is an area within the Portland Harbor Superfund Site. The EE/CA summarizes analytical data, presents an analysis of removal alternatives, and describes a recommended removal action. EPA's preferred remedy includes removing contaminated erodible soils near the shore with reuse in uplands, excavation of hot spots, limited capping and land use controls. The public comment period for the EE/CA will also be discussed.

3. EPA and Oregon Department of Environmental Quality Community Involvement Plan - Alanna Conley, Community Involvement Coordinator, EPA

4. Closing remarks - Jim Robison

See you there!
